Subject: Testimonial & Appreciation for Fire AMC Services

Dear Rapid Fire Security Solution Team,

We would like to express our sincere appreciation for the excellent services provided by **Rapid Fire Security Solution** under our **Annual Maintenance Contract (AMC)** for our complete fire protection system.

We are very happy and satisfied with your professional performance, particularly the **quarterly detailed maintenance services, systematic inspection process, and proper reporting/documentation**. Your timely maintenance and well-organized records have helped us operate and maintain our fire protection system smoothly.

We are also pleased that your support and documentation have made our **Fire NOC renewal process easier and more efficient**.

Over the last **one year, we have not recorded any major complaints regarding our Fire Hydrant System or other fire protection systems**, which reflects the quality and effectiveness of your AMC maintenance and support.

Considering your excellent service, professional approach, timely response, and continuous support, **GOC Petrochemicals Pvt. Ltd. is pleased to extend the Fire AMC with Rapid Fire Security Solution for the upcoming two financial years.**

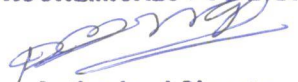

We highly appreciate your commitment and look forward to receiving the same level of professional service and support in the coming years.

We strongly recommend Rapid Fire Security Solution for complete fire protection system AMC, maintenance, and Fire NOC support.

Warm Regards,

For GOC Petrochemicals Pvt. Ltd.
